

PETER CAMPBELL

WILLING PARTNERS CLINIC, TEHACHAPI, CA
4 DAY CLINIC! MAY 13-16, 2011

PETER CAMPBELL has been a student of the horse all his life. From competitor to judge, buckaroo to show jumping, mentoring with Tom Dorrance, 20 years teaching clinics. He's come a long way from leading packhorses through wilderness areas alone at the age of 12!

Here's your chance to ride with PETER and "Get your horse operating through response with respect, not self preservation." Let PETER's wealth of expertise and experience guide you to a deeper understanding of what he means when he says, "It's what you put in a horse's head, not what you put on it." Since PETER keeps classes small, space is limited. Sign up soon to reserve a spot!
